Good day,

Herewith are the meeting rules for the Dipaleseng Stakeholders meeting of 9 July 2020:

- **Join a few minutes early if possible.** This allows you to make sure everything is working and gives time to make any adjustments.
- **No video call, only audio call.**
- **Enter muted.** Enter the meeting with your mic muted and camera off.
- **Please note that the meeting will be recorded.**
- Naledzi and Eskom will start the meeting by giving a project presentation.
- Opportunity for a discussion session will be given after the presentation.
- **KEEP YOUR MICROPHONE MUTED:** Keep your mic muted unless you need to speak. You will need to unmute yourself to begin speaking when needed.
- **During the discussion session:**
 - **Avoid talking over others.**
 - **Be clear, concise.** Speak in a concise and clear manner and tone so that everyone can hear what you are saying.
 - **Raise your hand** if you wish to ask a question (the teams application has a 'raise hand' function).
 - You will then be requested to unmute your microphone and raise your question. Once the question is raised you can mute your microphone again
 - Eskom or Naledzi will then respond to the question and you can lower your 'hand'.

Good morning,

We would herewith like to provide you with the RULES OF THE MEETING for today's (14 July 2020) virtual meeting at 2pm:

- Join a few minutes early if possible. This allows you to make sure everything is working and gives time to make any adjustments.
- No video call, only audio call.
- Enter muted. Enter the meeting with your mic muted and camera off.
- Please note that the meeting will be recorded.
- Naledzi and Eskom will start the meeting by giving a project presentation;
- Opportunity for a discussion session will be given a after presentation;
- KEEP YOUR MICROPHONE MUTED: Keep your mic muted unless you need to speak. You will need to unmute yourself to begin speaking when needed.

During the discussion session:

- Avoid talking over others.
- Be clear, concise. Speak in a concise and clear manner and tone so that everyone can hear what you are saying.
- Raise your hand if you wish to ask a question (the teams application has a 'raise hand' function).
- You will then be requested to unmute your microphone and raise your question. Once the question is raised you can mute your microphone again
- Eskom or Naledzi will then respond to the question and you can lower your 'hand'.

Regards,

Marissa Botha
